### Introduction

This webinar is designed to help you understand and improve your emotional intelligence (EI) at work. You will learn how to use the five realms of EI: the intrapersonal realm, the interpersonal realm, the adaptability realm, the stress management realm, and the general mood realm, to enhance your self-awareness, self-regulation, social awareness, and social skills.

### Objectives

The objective of the **Emotional Intelligence at the Workplace** training is to;

- Define EI and its importance and benefits for work performance and well-being
- Identify the five realms of EI and their components and indicators
- Assess your EI using various tools and methods, such as self-assessment, feedback, and reflection
- Apply various strategies and techniques to improve your EI in the five realms, such as self-talk, empathy, problem-solving, relaxation, and gratitude
- Use your EI to communicate effectively, build relationships, manage conflicts, cope with stress, and foster positive emotions at work

### Target Groups

This training is suitable to a wide range of professionals but will greatly benefit;

- HR Professionals
- People Managers
- HR Executives
