### Introduction

This webinar is designed to help you develop and enhance your leadership skills and potential. You will learn about the six traits of effective leaders, such as drive, integrity, self-confidence, intelligence, emotional stability, and charisma. You will also learn about the managerial grid of leaders, which describes five styles of leadership based on concern for people and concern for results. You will also learn about the contingency model of leadership, which suggests that the best leadership style depends on the situation and the followers. Finally, you will learn about the elements of high performing leaders, such as vision, communication, motivation, and empowerment. By the end of this webinar, you will be able to; Explain the concept and importance of leadership skills and potential, Identify and assess your strengths and areas for improvement in the six traits of effective leaders, Apply the managerial grid of leaders to analyze and adapt your leadership style to different situations and people, Use the contingency model of leadership to select and apply the best leadership style for different situations and followers, Develop and demonstrate the elements of high performing leaders to inspire and influence others
