Course Overview

This Transformational Industrial Relations & Employee Relations seminar will provide participants with a thorough understanding of Labour and Industrial Relations (IR). Industrial Relations is concerned with the maintenance of the employment relationship, essentially how trade unions and management of an organization interact. Industrial Relations has undergone many changes over the past decade, but it continues to be a critical area for all organizations. Industrial Relations is about employers and unions communicating and negotiating effectively. It is about seeing the 'big picture' and helping the organization take appropriate action to maintain good working relationships at all levels. This dynamic and interactive workshop will help you transform your industrial relations, so it meets the needs of all stakeholders over the coming decade.
