Introduction

The "Managing Performance: Setting KPIs & Tracking Progress" training program is designed to provide managers, team leaders, and HR professionals with the skills and knowledge necessary to effectively set Key Performance Indicators (KPIs) and track progress. This course will cover the fundamentals of performance management, techniques for setting measurable KPIs, and strategies for monitoring and evaluating progress. By mastering these skills, participants will be able to drive organizational performance, enhance productivity, and achieve business goals.

Objectives

The objective of the **Managing Performance: Setting KPIs & Tracking Progress** training is to;

- To understand the fundamentals of performance management and its importance in achieving organizational goals.
- To learn and apply techniques for setting effective KPIs that are aligned with organizational objectives.
- To develop skills for monitoring and tracking progress against KPIs.
- To enhance abilities in evaluating performance and providing constructive feedback.
- To implement best practices for continuous performance improvement.

Target Groups

This training is suitable to a wide range of professionals but will greatly benefit;

Den Gathitu
