Course Overview

Employee performance is the backbone of organizational growth and success. This course is designed to equip professionals with strategies for diagnosing performance challenges, implementing improvement plans, and fostering a culture of accountability and excellence. Participants will explore techniques to motivate teams, provide constructive feedback, and align individual goals with organizational objectives. Through practical workshops and actionable insights, attendees will leave equipped to unlock their teams' full potential and drive consistent high performance.

Course Objectives

The objective of the **Improving Employee Performance** training is to;

- Analyze factors that influence employee performance and productivity.
- Develop effective strategies for addressing performance gaps constructively.
- Foster engagement and motivation through recognition and feedback.
- Implement frameworks for setting measurable goals and driving accountability.
- Sustain performance improvements through monitoring and evaluation.

Target Groups

This training is suitable to a wide range of professionals but will greatly benefit;

- HR Professionals
- Team Leaders
- Managers Overseeing Workforce Performance
- Performance Improvement Coaches
